Loch Lomond 18 YO.

Highland Malt. 46% ABV

Loch Lomond 18 year single malt is distilled in unique Loch Lomond-style stills. Maturing for 18 years in casks chose by Tommy Wallace, the master cooper at the time. Time and nature bring out the sweeter character of the wood with mellow notes of peat and smoke.

NOSE: Touches of cinnamon, melted butter, rye bread and ripe red apples make for a well-integrated and enjoyable, yet not very exceptional nose. There are whiffs of caramel and just a sliver of smoke too.

PALATE: Ah yes, it certainly has that straight-necked pot still signature you also find in Inchmurrin and Littlemill, with a nice, bright fruitiness and soft cardboard notes. There's a subtle spiciness (white pepper) as well, followed by toffee and oak shavings. The faintest touch of smoke.

FINISH: Lingering spices and a soft sweetness. Medium in length.

Loch Lomond 18 YO.

Highland Malt. 46% ABV

Loch Lomond 18 year single malt is distilled in unique Loch Lomond-style stills. Maturing for 18 years in casks chose by Tommy Wallace, the master cooper at the time. Time and nature bring out the sweeter character of the wood with mellow notes of peat and smoke.

NOSE: Touches of cinnamon, melted butter, rye bread and ripe red apples make for a well-integrated and enjoyable, yet not very exceptional nose. There are whiffs of caramel and just a sliver of smoke too.

PALATE: Ah yes, it certainly has that straight-necked pot still signature you also find in Inchmurrin and Littlemill, with a nice, bright fruitiness and soft cardboard notes. There's a subtle spiciness (white pepper) as well, followed by toffee and oak shavings. The faintest touch of smoke.

FINISH: Lingering spices and a soft sweetness. Medium in length.

Color: Pale Yellow Yellow Gold Greeny-Gold Bronze (Amber) Mahogany

Nose: Floral Citrus Grass (Honey) Coconut Malty Oak Nutty Molasses Sherry (Sweet) Smoky Pungent Sea Air Peat
