The acquisition or rental of any of the Lots of the Subdivision, or the act of occupancy of any of the Lots, will signify that these By-laws are accepted and ratified and will be complied with by the purchaser, tenant, or occupant.

ARTICLE 3 OFFICES

3.1. Principal Office. The principal office of the Association will be located at the residence of the current Association President. The location of the principal office may be changed from time to time by the Board.

3.2. Registered Office and Registered Agent. The Association will have and will continuously maintain in the State of Texas a registered office and a registered agent whose office will be the same as the registered office, as required by the Texas Business Organizations Code. ARTICLE 4 QUALIFICATIONS FOR MEMBERSHIP

4.1. Membership. Every Owner of a Lot will automatically be a Member of the Association. Membership in the Association shall be automatic for all Owners. Any person residing on the premises and who is not the Owner thereof shall be entitled to the use and benefits of membership, but shall not have any right to vote or to participate in the business affairs of the association unless he/she does so under written proxy of the owner of such lot. Membership of a Member in the Association will automatically terminate when the Member ceases to be an Owner. The termination, however, will not release or relieve the Member from any liability or obligation under the Restrictions that was incurred during the Member's period of ownership of a Lot.

4.2. No Additional Qualifications. The sole qualification for membership will be the ownership of a Lot. No initiation fees or dues will be assessed against any Person as a condition of membership except the assessments, levies, and charges specifically authorized under the Certificate of Formation or the Declaration.

ARTICLE 5 VOTING RIGHTS

5.1. Allocation. In all matters which shall come before the Members of this Association, the voting power of the Members shall be according to the following rules:

(a) One vote will be assigned to each Dues-Paying Lot.

(b) Neighboring Owners sharing interest in a common lot separating their respective Lots shall be entitled to utilize the one vote for the said lot as agreed by them or, in the absence of an agreement, to one-half vote to each. When a Lot is owned of record in common ownership, joint tenancy or tenancy in common, the several owners or purchasers of said Lot shall collectively be entitled to one vote therefore.

(c) In the case of any original lot which has been subdivided into two separate parcels, each resulting partial Lot will be entitled a partial vote proportional to the percentage of ownership held according to the property records of Franklin County, Texas.

5.2. Manner of Voting. At all meetings of Members, each Member, subject to Section 4.1, may vote in person or by a legitimate proxy in form approved by the Board. All proxies will be valid for only one designated meeting and must be in writing and filed with the Secretary of the Association before any Member may vote by proxy. The Board may expand the manner of voting to include voting by absentee or electronic ballot as provided by applicable law.

5.3. Quorum. The presence in person or by proxy of members representing one-half (1/2) of the total voting power of the Association shall constitute a quorum for the transaction of business. Members present at any duly called or held meeting at which a quorum is present in person or by proxy may continue to do business notwithstanding the withdrawal of enough members to leave less than a quorum, provided however that a quorum will cease to exist for this purpose if the number votes present at any time are less than thirty (30)

5.4. Required Vote. The vote of the majority of the votes entitled to be cast by the Members present, or represented by proxy, at a meeting at which a quorum is present will be the act of the Members, unless the vote of a greater number is required by statute, the Declaration, or the Certificate of Formation;

ARTICLE 6 MEETINGS OF MEMBERS

6.1. Annual Meeting. The annual meeting of the Members of the Association will be held as soon as reasonably possible after October 1 of each year.

6.2. Special Meeting. Special meetings of the members for any purpose may be called at any time by two or more Officer/Directors, or upon written request of the members who have the right to vote at least 51% of all of the votes of the entire membership. Any meeting of the Members other than the Annual Meeting will be considered a Special Meeting.

6.3. Place. Meetings of the Members will be held within the Subdivision or at a meeting place as close to the Subdivision as possible, as the Board may specify in writing.

6.4. Notice of Meetings.

(a) Notices to the members of annual and special meetings shall be given in writing at least 30 days but not more than 60 days prior thereto by the Secretary. Notice may be given to the members either personally, or by sending a copy of the notice postage paid through the mail to his/her address as it appears on the books of the Association. Each member shall register his/her address and any change thereof with the Secretary and notices of meetings shall be mailed to his/her at such address. Notice of each annual or special meeting of the members shall specify the place, date, time and the general nature of the business to be transacted. The Secretary may utilize e-mail notification in lieu of regular mail, and this e-mail notification will be considered valid notice if an e-mail address has been registered with the Secretary by the Member for this purpose.

(b) The proposed agenda for any properly called meeting will be circulated to each member at least 30 days before the date of the meeting. Any member can then submit requested changes to the agenda (including the full, written version of any proposed motion to be voted upon) at any time up to 10 days before the meeting. At that time, the agenda, including all motions to be voted upon, will become final. If the final agenda will include any motions to be voted on that are different from the original motions or that are new, these must be circulated with the final agenda no later than 10 days before the meeting. In order to be voted upon at the meeting, a motion must be included with the agenda in its full, written form. No motions will be taken from the floor.

(c) In the event of either a special meeting (Sec 6.2 above) or an Annual Meeting without a quorum, the business transacted in the meeting will be valid if waivers to notice are subsequently received from:

(1) In the case of an Annual Meeting, 60% of all possible votes less the number of votes actually present at the meeting

(2) In the case of a Special Meeting, 70% of all possible votes less the number of votes actually present at the meeting

(3) Thus, depending on the type and circumstances of the meeting, either 60% or 70% of the total possible votes will be required to sanction any motions enacted therein, either through those votes being cast in the meeting or through a subsequent waiver of notice for the meeting. A vote cast in the meeting may not also be used for a waiver of notice.

6.5. Order of Business. The order of business at all meetings of the Members will be as follows:

- (a) Roll call.
- (b) Proof of notice of meetings or waiver of notice.
- (c) Reading of minutes of preceding meeting.
- (d) Election of directors.
- (e) Reports of officers.
- (f) Reports of committees.
- (g) Unfinished business.
- (h) New business.

6.6. Action Without Meeting. Any action that must or may be taken at a meeting of the Members may be taken without a meeting if a consent in writing, setting forth the action so taken, is signed by the requisite number or voting power of the Members and filed with the Secretary of the Association. A Member can consent to an action to be taken by electronic mail (e-mail). Consent by e-mail is considered to be written, signed, and dated for the purposes of this Section if the e-mail sets forth or is delivered with information from which the Association can determine that the e-mail was transmitted by the Member and the date on which the Member transmitted the e-mail. The date of the e-mail is the date on which the consent was signed. Consent given by e-mail may not be considered delivered until the consent is reproduced in paper form and the paper form is delivered to the Secretary. Any photographic, fax, or similarly reliable reproduction of a consent in writing signed by a Member may be substituted or used instead of the original writing for any purpose for which the original writing could be used, if the reproduction is a complete reproduction of the entire original writing.

6.7. General Conduct of the Meeting. Roberts Rules of Order shall be observed at all meetings where not inconsistent with these By-Laws.

(c) The transactions of any meetings of the Board of Directors, however called and noticed, or wherever held, shall be as valid as though done at a meeting duly held after regular call and notice with a quorum present, if either before or after the meeting any Director not present signs a written waiver of notice, given written consent to the holding of such meeting, or gives written approval of the minutes thereof. As such waivers, consents or approvals shall be filed with the Secretary records and made a part of the minutes of the meeting.

(d) Every act, or decision, done or made by a majority of the directors shall be regarded as the act of the Board of Directors.

7.4. Vacancies. If the office of any Director becomes vacant by reason of death, disability, resignation, or retirement, the remaining Directors will choose a successor to fill the unexpired term of the directorship being vacated at a special meeting called for that purpose. If the office of any Director becomes vacant by reason of disqualification, removal from office, or otherwise, the Members, at a special meeting of the Members duly called for that purpose, will choose a successor to fill the unexpired term of the directorship being vacated. At the expiration of the term of his or her position on the Board, any successor Director chosen by the remaining Directors or by the Members will

(d) An act or omission for which the liability of a Director or Officer is expressly provided by an applicable statute.

Any repeal or amendment of this Section by the Members of the Association will be prospective only and will not adversely affect any limitation on the personal liability of a Director or Officer arising from an act or omission occurring before the time of the repeal or amendment. In addition to the circumstances in which a Director or Officer is not personally liable as set forth in the foregoing provisions of this Section, a Director or Officer will not be liable to the Association or its Members to the extent as permitted by any law enacted after these By-laws, including, but not limited to, any subsequent amendment to the Texas Business Organizations Code.

ARTICLE 13

GENERAL PROVISIONS

13.1. Amendment of By-laws. These By-laws may be amended, altered, or repealed at a regular or special meeting of the Members by the affirmative vote in person or by proxy of Members representing two-thirds (2/3) of the Members; however, these By-Laws will not be amended or otherwise changed or interpreted so as to be inconsistent with the Declaration. Despite the preceding sentence, the percentage of affirmative votes necessary to amend a specific clause or provision will not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause or provision. Further, the Members may not meet to adopt an amendment or other change to these By-laws unless the Association or Board has given to each Owner a document showing the specific amendment or other change that would be made to the By-laws no earlier than sixty (60) days and no later than ten (10) days before the date of the meeting. The information is considered to have been given to an Owner on the date the information is personally delivered to the Owner, as shown by a receipt signed by the Owner, or on the date shown by the postmark on the information after it is deposited in the U.S. mail with a proper address and postage paid. If any proposed amendment to these By-laws would affect less than all of the Lots, the amendment will not be effective without the consent of the Owners of those Lots adversely affected by the amendment.

13.2. Notices.

(a) Any notice, demand, or other communication required to be given or to be served on any Person must be in writing and delivered to the Person to whom the notice is directed (1) in person, (2) by U.S. mail, registered or certified, return receipt requested, (3) by a nationally recognized overnight delivery service, or (4) by e-mail. Notices, demands, or other communications delivered by mail will be deemed given and received when deposited in a post office or other depository under the care or custody of the U.S. Postal Service, enclosed in a wrapper, addressed properly, and with proper postage affixed. Any notice, demand, or other communication given other than by certified or registered mail, return receipt requested, will be deemed to have been given and received when delivered to the Person at the Person's current address as reflected in the records of the Secretary.

(b) On the consent of any Person, notice from the Association may be given to the Person by electronic transmission. Any Person may specify the form of electronic transmission to be used to communicate notice. The Person may revoke this consent by written notice to the Association. The consent is deemed to be revoked if the Association is unable to deliver by electronic transmission two (2) consecutive notices, and the Person responsible for delivering notice on behalf of the Association knows that delivery of these two (2) electronic transmissions were both unsuccessful. The inadvertent failure to treat the unsuccessful transmissions as a revocation of consent does not invalidate a meeting or other action. Notice by electronic transmission is deemed given when the notice is (1) transmitted to a fax number provided by the Person for the purpose of receiving notice, (2) transmitted to an e-mail address provided by the Person for the

purpose of receiving notice, (3) posted on an electronic network and a message is sent to the Person at the address provided by the Person for the purpose of alerting the Person of a posting, or (4) communicated to the Person by any other form of electronic transmission consented to by the Person.

13.3. Rules.

(a) The initial Association Rules, if, as, and when adopted, will be effective until amended or supplemented by the Board of Directors, and are in addition to any rules and regulations or other restrictions on use set forth in the Declaration.

(b) Subject to Section 12.1, the Board, under these By-laws and the Declaration, reserves the power to establish, make, and enforce compliance with any additional Association Rules as may be necessary for the operation, use, and occupancy of the Subdivision with the right to amend them from time to time, provided they do not conflict with this Declaration. Copies of these Association Rules must be furnished to each Owner before the date when they become effective. If any proposed amendment to the Association Rules would affect less than all of the Lots, the amendment will not be effective without the consent of the Owners of those Lots adversely affected by the amendment.

13.4. Abatement and Enjoinment. The violation of any Association Rule promulgated by the Board, or the breach of any of these By-laws, or the breach of any provision of the Declaration will give the Board the right, in addition to any other rights set forth in the Declaration or in these By-laws, to enjoin, abate, or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach.

13.5. Attestation. Adopted by the Board, effective as of December 18, 2012.
